Parents and Guardians

It has become a regular occurrence on a Tuesday evening for some children to be left waiting for their parents or guardians to pick them up well past the finishing time of the club.

Please ensure you are at the club to collect your child in good time so they are not left waiting alone when everyone else has left. The last session finishes at 20.30 hours, with the mats being put away for 20.45 hours, at which point your children are ready to be collected.

If you think you are going to be running late, then please let one of the clubs Sensei's know when you drop off your child at the start of the session. Your co-operation in this matter will be much appreciated.

Welsh Nationals (Hereford)

Once again Carn Brea Judo Club was represented at the Nationals, and extremely well represented it has to be said.

Not only was the standard of the Judo excellent, but the etiquette demonstrated by all our Judoka was second to none.

First up was Lisa, who won all her fights apart from the last (which was very questionable). Lisa demonstrated excellent Ippon Judo and very deservedly took the Gold.

Following Lisa was Tony and Callum. Tony produced some lovely ippons during his four contest fights, winning three by ippon and taking the Gold. The day before Tony and his family were at another Judo event where Tony came away with the Silver.

Callum was in a group of twelve and unfortunately lost both his first two fights, but not until he had made his opponents work, by taking the fight to them.

Now coming towards the end of the day Keron and Sadie where up on the mats. Keron was in a group of seven, and unfortunately lost his first two fights, but applied himself and showed some excellent technique and determination.

Sadie was in a group of four, but due to lack of contestants in her weight group, was placed in the U60 Kg group, with Sadie weighing in at just over 51Kgs. Sadie lost her first fight, but fought extremely hard in the second and took the win. Sadie was to lose her third fight after a hard contest, which resulted in Sadie receiving an injury to her knee and a broken toe. Sadie took a well deserved bronze.

It was once again a pleasure to travel up and watch our Judoka deliver a high level of commitment, etiquette and Ippon Judo.

Well done to all.
