Leinster Open Ireland

On 3rd October, Lorcan competed in the Leinster Open held in the Irish National Squad Training Headquarters at Finglas, Dublin. The meeting was very well attended, with competitors from Germany, Denmark, Wales and Ireland. Many of them were National players and so the competition was very tough. Lorcan was in the largest group. He won his first with wazari and a hold down. The second he lost after a tough scrappy fight and was held down. His third was, again, a bit of a scrap until his opponent ran at him and was thrown with a classic ippon seonage, earning him a round of applause from the spectators. Lorcan lost the next against the eventual winner on a wazari. In his last fight which would be for the bronze, both players were going all out for a win. Lorcan attempted a throw but was countered and thrown for ippon. Overall the competition was very well organised and the standard very high. We were made very welcome throughout our stay by Leo Gibbons, the organiser, and all the other participants Lorcan enjoyed the event and the competition, a very worthwhile all round experience.
